- Consolidation of all operations was conducted including the Singapore Office audit.
 - ITTF's finances are in good shape and healthy with an overall surplus of over USD 9 million at the end of 2014, getting closer to the target of having a 1 year operation reserve.
 - To be on the safe side ITTF should have about 11 million in reserve, and anything above can be invested or used for development and other priority projects.
 - Deferred revenue of CHF 4 million can be used in 2015-16 from the Olympic funding.
 - The book value of the ITTF Headquarters show as CHF 3.59 million, but with an estimated market value of more than CHF 12 million.
 - Marketing income from TMS has increased; ITTF received USD 6.7 million in 2014.

 - If in the future the ITTF office moves to the House of Sport in Lausanne, the ITTF building could be fully rented for extra income or sold for profit.
 - Staff expenses were reduced percentage wise, but the total expenses remained stable in all areas except promotion costs under "other expenses" which increased due to intensive work to improve in this area recently.
 - Adjustment of the second part of the quadrennial budget for the years of 2015-2016 is not necessary due to the healthy surplus.
 - The closing evaluation meeting with the auditors and Risk Assessment Seminar were planned for mid-June 2015 with the participation of the Finance Committee and staff in charge of finances.
 - The Executive Committee decided to show the Financial Statements in USD as of 2016 since the Swiss law changed recently to allow the use of any currency for financial statements.
